Tour to Showcase Downtown Living

Many residents are livin' it up in Duluth's Downtown, and here's your chance to get an insider's look at urban living.

Join us on **Saturday, June 23rd from 10AM-2:30PM** for the **Downtown Living Tour**. The Depot 506 Fund and Greater Downtown Council have teamed up to present this great opportunity to explore residential living in four prime properties downtown.

Be among the first to see the new **311 Superior** condos high atop the Sheraton Hotel in the Old Downtown. Experience the rich historic restoration as you venture into the apartments at the former **Bridgeman Russell** Creamery. Enjoy living in the hub of excitement and beauty at **Vonjaro's** Lake and Superior condos. And appreciate the convenience and class of condo living at **414 West First**, the former Water & Gas Building.

At each location, tour participants will also be treated to a taste of specialties from local restaurants and they'll get a chance to enjoy the offerings from one of the nine arts, cultural and history organizations located within the Depot. Proceeds from this tour will help fund the organizations within the Depot, as well as promotion and development in the Downtown.

Tickets are just \$20.00, and can be purchased by contacting the Depot (727-8025) or GDC (727-8549).
